

Dear 3rd Grade Parents,

This is going to be a fantastic year at Sequoia Pathfinder Academy at Eastmark! I love teaching this grade level and cannot wait for the year to start. I have many exciting things planned for our 3rd graders this year.

Let me tell you a little about myself. I am from Utah, but I have lived in Gilbert for so long I consider it home. I graduated from ASU with a degree in Elementary Education. I also hold a Master's in Education with a focus on technology integration. I have taught for 8 years, 7 of those in 3rd grade. In my spare time, I enjoy listening to music, watching television, and reading. I also like to travel and see new places. I'm a huge soccer fan - my favorite teams being the LA Galaxy and the US Men's National Team! I am a very picky eater, but I sure do love chocolate. ☺

Meet the Teacher Night will be Monday, July 31st. This will be a great opportunity see our room and get more information about our class. I hope to meet you and your child that night if you can make it. I encourage supplies to be brought in that night if possible (see supply list on the school website).

I am enthusiastic about teaching and I look forward to the many wonderful experiences that this year will hold. Please feel free to contact me throughout the school year if you have any questions or concerns. I hope we can work together to ensure your child has an amazing time in 3rd grade!

See you soon!

Christa Dandoy
