

Dear Parents and Guardians,

My name is Sherri Fullerton, and I am excited to be your child's teacher for the remainder of the year. I taught second grade here at Sequoia last year and am happy to be returning. The staff here is amazing, and I am grateful to be working with such a wonderful kindergarten team.

I have twelve years of teaching experience in kindergarten, first, second, and third grades. However, most of my teaching career has been in Kindergarten. I love teaching Kindergarten! The children are so excited about learning, and show such growth throughout the year.

I earned a Bachelor's degree and teaching certificate from ASU, and a Master's Degree in Elementary Education from NAU. In addition, I have a Reading and Early Childhood Endorsement.

My husband Craig and I have two girls we are very proud of. Our daughter Sarah is a 6<sup>th</sup> grade teacher for the Kyrene School District, and Brianna just started vet school in Washington. We also have four rescue animals: a dog, two cats, and now a kitten! In my free time, I enjoy traveling, hiking, bike riding and reading.

I am passionate about teaching and learning, and strive to instill that love of learning in each child. I believe students should be actively involved in their learning, and will work on establishing a student-centered classroom where the students and I work together as a team to discover and learn new things.

I will greatly appreciate your support, and will work to make this transition as smooth as possible for your child. I look forward to meeting you soon.

Sherri Fullerton
