

Dear Students and Parents,

Welcome back! My name is Miss Teskey and I am so excited to be your Math and Science teacher this school year! I can't wait to explore the different aspects of science and math this year with you!

Now I would like to tell you a little about me. I was born and raised in Indianapolis, IN. Last year I moved to Yuma, AZ where I taught 5th grade. Just recently I moved to Mesa. Although it sure is hot here I definitely don't miss all the snow we get in Indiana! I have two younger brothers and a wonderful dog named Koda. In my spare time, I love to play guitar, hike, and take my dog to the dog park.

I hope to see all of you at our Meet the Teacher/ Curriculum Night on Monday July 31, 2017 from 6:10-7:00pm. You will get the chance to hear what we will be learning this school year and to see the classroom.

If you have any questions, please don't hesitate to contact me. We are going to have a fantastic school year!

Sincerely,

Ms. Teskey
