- Colored Pencils

We do a lot of projects in kindergarten and will be asking for help throughout the year with the items we will need. We send out a weekly newsletter with a section for donations. We ask for help with these so that we can continue to do the special projects with our classes. Examples of things we do each year: Valentine's Day mailboxes, butterfly habitats, Green Eggs and Ham, Apple Party, science experiments, discovery within the classroom, etc.

Thank you in advance for helping us with these things as the time comes.
